

Higher Degrees by Research information evening

During Monash Research Month, we focus on the great minds, innovative thinking and leading-edge research contributing to solutions for 21st century challenges.

If you are a final year undergraduate or honours student, or have a postgraduate degree with a research component join us to discuss your research aspirations directly with academic staff.

Wednesday 5 September, 5.30 – 7.30 pm

Exhibition space, Level 1, Building H, Caulfield campus

A research scholarship talk will run from 6.30 – 7 pm

To register or for more information about Monash Research Month visit www.monash.edu/researchmatters
