

Senior Leadership Forum

Wednesday 22 July 2009

12 noon – 2 pm

Banquet Room, Building 10, Clayton Campus

Dear Senior Colleague,

I am pleased to invite you to a special Leadership Forum with a guest panel of past and present Monash students who have been recognised for their individual leadership achievements:

Mr Chris Viney

UN Youth Ambassador

Ms Anthea Lindquist

Victorian Rhodes Scholar

Mr Nick Bearlin-Allardice

Victorian Director, The Oaktree Foundation

The Forum will be facilitated by Professor David Copolov, Senior Advisor to the Vice-Chancellor and Chair of the Ancora Imparo Student Leadership Curriculum Committee. The three presenters will share their thoughts on leadership. In particular, what inspired them to become young leaders, ways Monash can foster and support the development of upcoming leaders and the expectations of Generation Y.

I am delighted to sponsor this event and I look forward to seeing you there.
