

GLOBAL BALLOONING

Monash University Wellbeing

Global Ballooning is Victoria's largest hot air ballooning company, offering flights over Melbourne city and the Yarra Valley. With a fleet of 16 passenger balloons of varying sizes, Global Ballooning caters to all the needs of passengers wishing to experience the joy of 'lighter than air' flight and award-winning service.

Kiff Saunders is Global Balloonings owner and chief pilot. He has flown balloons throughout Australia and the world. He holds Australia's highest ballooning qualifications and has been inducted into the Australian Ballooning Federation 'Hall of Fame.' Kiff also holds the 'Absolute Australian Altitude Record' for ballooning.

Global Ballooning have developed close marketing partnerships with Domaine Chandon, De Bortoli Wines, Australian Wine Tours, Sebel Heritage, Hilton Hotel, Hotel Windsor and Chateau Yering to ensure our guests enjoy a diverse range of packages and experiences.

Global Ballooning has an extensive up to date photographic and broadcast video library of all our flying regions and of ballooning adventures around Australia. We also are specialists in media, film and television work.

Please contact Global Balloonings friendly staff to assist you with any enquiries you might have regarding our business. All our rates are internationally available and we are only too happy to supply video or photographs to support the product.

WHEN AND WHERE TO MEET: We offer complimentary CBD hotel pick-ups and meet at the designated location 1/2 hour before sunrise. When we confirm the booking, we will send you details of the flight including a map on how to find us, or the hotel pick up details. Your clients (or agent) should contact us the evening prior to departure to confirm the pick up/departure time. Should the flight be cancelled due to inclement weather, you may rebook another day.

CLOTHING:

Comfortable clothing relevant to the season that will not restrict active participation in inflating the balloon, or climbing in and out of the basket should be worn. The air temperature will be the same in the air as it is on the ground. It will get warmer as the morning goes on. We recommend clothing worn in layers, so a jacket or sweatshirt can be removed. Boots, runners or sturdy shoes are appropriate footwear as the grass may be wet. A hat/cap is recommended. Cameras are welcome, carried at your own risk.
