- I have read the Terms and Conditions of the auction sale as set out on the back of this Buyer Registration and understand that if I bid at auction it is subject to these Terms and Conditions and any special conditions which may be announced prior to the auction by the Auctioneer. If I am the successful bidder I acknowledge that I will be bound to purchase the goods for which I have successfully bid in accordance with those Terms and Conditions and any special conditions announced prior to the auction.
- That ManheimFowles is an auctioneer and is acting as agent for the Vendor and that if any dispute arises (whether before or after ManheimFowles has paid the Vendor the proceeds of any sale) then that dispute will be between the Purchaser and the Vendor and I acknowledge and agree that ManheimFowles will be excluded from any subsequent action or court proceedings.  - I will not institute other action or proceedings unless ManheimFowles has advised that it is unable to assist further in the resolution of the matter, or has failed to resolve the matter within a reasonable period of time having regard to all relevant circumstances.
- Any changes to the information supplied will only be changed on Auction day and will incur a fee.

Terms & Conditions of Auction Sale

1. The highest bidder will be the Purchaser, subject to Vendor acceptance, but if any dispute arises as to the last or highest bidder, at the discretion of the Auctioneer, the lot in dispute may be put up again and resold.
2. All auction bid prices are GST inclusive unless the owner of the goods is not registered for GST (in which case no GST is payable on the lot bid for). Lots to be sold on behalf of owners not registered for GST will be separately identified in the catalogue.
3. The Auctioneer may refuse to accept any bid or withdraw any lot from the sale.
4. The Auctioneer may hold a bid and refer such a bid to the Vendor before acceptance. In some circumstances further negotiations may only be held with the highest bidder.
5. The Vendor reserves the right to bid either by the Auctioneer or the Vendor's agent for any lot offered. The Auctioneer has been nominated for this duty. No person will be allowed to retract his or her bid after being taken.
6. All Purchasers shall, on the fall of the hammer, if required to do so, pay a deposit of 10% or \$500 whichever the greater, of the purchase price in cash, bank cheque, EFTPOS or credit card (processing fee applies) and pay the balance in cash, bank cheque, BPay, EFT, EFTPOS or credit card (processing fee applies) by 4:00pm the working day after the sale.
7. In case of non-payment of such deposit, the lot or lots may, at the option of the Auctioneer, be put up again and resold and the defaulter's bid, at the option of the Auctioneers, shall not be taken again during the sale.
8. A Road Test Report (where provided and excluding Truck & Machinery Auctions and Salvage Vehicle Auctions), is prepared as a result of a brief road test undertaken prior to auction, and is intended as a guide only. No detailed inspection has been undertaken, and absolutely no warranty or guarantee concerning known or unknown faults is given or implied. The report covers no items capable of visual inspection. Vehicles sold with a Road Test Report are still sold subject to Clause 15 of the Standard Terms and Conditions of Sale, which refers to vehicles being sold with all faults (if any).
9. All lots shall be at the Purchaser's risk on the fall of the hammer and neither the Vendors nor the Auctioneers shall be accountable for any deficiency, damage or loss, which may arise thereafter. The Purchaser shall independently verify any information relevant to any lot which is important to the Purchaser's decision to bid on the lot.
10. Stamp duty and delivery charges to be paid by the Purchasers where and when applicable.
11. Ownership of a lot shall not pass to the Purchaser until the Auctioneer has clear title to the payment from the Purchaser.
12. All goods must be taken away by the Purchaser no later than 4.00pm on the working day after the sale. Storage charges may apply on lots which have been paid for and which remain uncollected by the working day after the sale. No parties will be allowed to remove their lots or any portion thereof, until the purchase shall have been completed and the full purchase price paid to the Vendors or Auctioneers.
13. The Auctioneer shall not be responsible for any damage to property or injury to persons incurred during the removal of lots purchased.
14. Upon any Purchaser failing to comply with any of the above conditions any money deposited in part payment shall be absolutely forfeited and all lots uncleared may be resold and the deficiency (if any) on such resale, together with all costs and charges consequent upon such resale, shall be made good by the defaulter at this sale.
15. All lots, having been made available for inspection prior to auction, are offered for sale "as is, where is" with all faults (if any). To the full extent permitted by law and notwithstanding the contents of or any description given in any catalogue, advertisement, road test report, engineers' report or other materials issued by the Auctioneer in relation to a lot, no express or implied condition, warranty or guarantee is made or given in relation to that lot as to its condition, quality, fitness for purpose, merchant ability or compliance with description. Without in any way limiting the foregoing, any description of a lot described as including air bags or anti-lock braking system (ABS) does not indicate any warranty or reinsurance that such air bags or ABS are fitted, complete, functioning or fit for the purpose for which they were designed. You should independently verify any information which is important to your purchasing decision.
16. To the full extent permitted by law, the Vendor and the Auctioneer will not be liable for any loss, damage, cost or expense suffered or incurred by a Purchaser arising out of the sale and purchase of a lot. Subject to all applicable laws, any liability

of the Auctioneers shall be limited to a refund or credit of the charge made for services provided by the Auctioneers.

17. All vehicles are sold as unregistered unless otherwise stated by the Auctioneer.
18. Any deficiency in the goods sold shall not vitiate the sale, but neither the Vendors nor the Auctioneers shall be bound to deliver more than is in their possession.
19. Terms are strictly cash, bank cheque, BPay (overnight transaction), credit card (processing fee applies), EFT (possible overnight transaction), or EFTPOS before delivery.
20. A Buyer's Administration Fee may be payable by the Purchaser on many lots sold at ManheimFowles auctions. The fee applicable to a lot is noted in the catalogue. Where a fixed dollar amount is noted, the Buyer's Administration Fee is inclusive of GST. Where a percentage is noted, the Buyer's Administration Fee is inclusive of GST and will be calculated on the sale price of the lot.
21. Additional Terms & Conditions for Truck and Machinery Auctions:
The Auctioneer does not warrant that any electrical or mechanical appliance, plant and/or equipment (collectively 'the plant') complies with the requirements of any Federal, State or Territory occupational health and safety laws (the OHS laws). Where reasonably practicable to do so and where the plant may be used in a workplace, the Auctioneer has requested that the Seller display a statement on the plant to indicate the safety condition of the plant and to supply certificates, operation manuals, etc. which may exist for the particular plant. By law, a purchaser of any plant for use in a workplace must ensure that the plant complies with the OHS laws before it is used. Heavy penalties apply for non-compliance. A summary of the occupational health and safety requirements in your State or Territory is available from the Auction Co-ordinator. Further information regarding occupational health and safety in the workplace is available from your State or Territory WorkCover authority.
22. Additional Terms & Conditions for Salvage Vehicle Auction or non-mobile vehicles:
In addition to the provisions of Clause 15 ManheimFowles cannot accept any responsibility for damage sustained to auction vehicles or equipment through the normal use of forklifts to load, unload and shift damaged and non-mobile vehicles.
