

CONFIDENTIAL STATEMENT OF SUPPORT – Difficult family circumstances

This is for applicants who have applied under the difficult family circumstances equity group.

This must be completed by a relevant responsible person. The responsible person should explain the circumstances you describe in your scholarship application in their own words and be able to comment on how the circumstances have affected your educational performance.

Note: Statements of support CANNOT be supplied by a person who is related to you or in a relationship with you. If the only responsible person who has knowledge of your circumstances is a family member or partner, then you must supply a statutory declaration explaining why there is no other person who can supply the statement along with the statement of support. Regardless of the presence of the statutory declaration, statements of support supplied by family members or partners may not be considered for assessment.
